LYRICS:

If I could reach the stars I'd pull one down for you
 Shine it on my heart so you could see the truth
 That this love I have inside is everything it seems
 But for now I find it's only in my dreams

CHORUS

That I can change the world
 I would be the sunlight in your universe
 You will think my love was really something good
 Baby if I could change the world

If I could be king even for a day
 I'd take you as my queen I'd have it no other way
 And our love will rule in this kingdom we have made
 Till then I'd be a fool wishin' for the day

CHORUS

That I can change the world
 I would be the sunlight in your universe
 You will think my love was really something good
 Baby if I could change the world
 Baby if I could change the world

GUITAR SOLO

CHORUS

That I can change the world
 I would be the sunlight in your universe
 You will think my love was really something good
 Baby if I could change the world
 Baby if I could change the world
 Baby if I could change the world
