

Sans titre

[Verse 1]

I know that I've been messed up
You never let me give up
All the nights and the fights
And the blood and the breakups
You always had to call off
I am pain, I'm a child, I'm afraid
And yet you understand
Yeah like no one can
Know that we don't look like much
But no one fucks it up like us

[Verse 2]

16 and you never even judged me
Matter of fact I always thought you were too cool for me
Sitting there in the caravan
All the nights we've been drunk on the floor
And yet you understand
Yeah like no one can
We both know what they say about us
But they don't stand a chance because

[Chorus]

When I'm with you
When I'm with you
I'm standing with an army
I'm standing with an army
When I'm with you
When I'm with you
I'm standing with an army
Standing with an army

[Verse 3]

Dark times, you could always find the bright side
