

## **Baby, I'm a fool**

How was I to know that this was always  
Only just a little game to you?  
All the time I felt you gave your heart  
I thought that I would do the same for you

Tell the truth, I think I should have  
Seen it coming from a mile away  
When the words you say are  
Baby, I'm a fool who thinks  
It's cool to fall in love

If I gave a thought to fascination  
I would know it wasn't right to care  
Logic doesn't seem to mind that  
I am fascinated by your love affair

Still my heart would benefit from  
A little tenderness from time to time but never mind  
'Cause, baby, I'm a fool  
Who thinks it's cool to fall in love

Baby, I should hold on just a moment  
And be sure it's not for vanity  
Look me in the eye and tell me  
Love is never based upon insanity

Even when my heart is beating  
Hurry up the moment's fleeting  
Kiss me now, don't ask me how

'Cause, baby, I'm a fool  
Who thinks it's cool to fall  
Baby, I'm a fool  
Who thinks it's cool to fall  
And I would never tell if you became a fool  
And fell in love
