

I'll always remember  
It was late afternoon  
It lasted forever  
And ended too soon  
You were all by yourself  
Staring up at a dark gray sky  
And I was changed

Refrain:

In places no one would find  
All your feelings so deep inside  
It was then that I realized That forever was in your eyes  
The moment I saw you cry

It was late September  
And I'd seen you before  
You were always the cold one  
But I was never that sure  
You were all by yourself  
Staring up at a dark gray sky  
I was changed

Refrain

I wanted to hold you  
I wanted to make it go away  
I wanted to know you  
I wanted to make your everything, all right  
I'll always remember...  
It was late afternoon
