She sits in her corner
 Singing herself to sleep
 Wrapped in all of the promises
 That no one seems to keep
 She no longer cries to herself
 No tears left to wash away
 Just diaries of empty pages
 Feelings gone a stray

Chorus:

G F#
 But she will sing
 Till everything burns while everyone screams
 burning their lies burning my dreams
 all of this hate and all of this pain
 burn it all down cause my anger reigns till everything burns

Walking through life unnoticed
 Knowing that no one cares
 Too consumed in their masquerade
 No one sees her there

Chorus:

```
G           F#
And still she sings
           Bm           G
Till everything burns while everyone screams
           Em           A
burning their lies burning my dreams
           Bm           G
all of this hate and all of this pain
           Em           A
burn it all down cause my anger reigns till everything burns
```
