Verse 1:

```

          B                      B9
Well, East Coast girls are hip, I really dig those styles they wear
          E
And the Southern girls with the way they talk
          F#
They knock me out when I'm down there
          B                      B9
The midwest farmers' daughters really make you feel alright
          E
And the Northern girls with the way they kiss
          F#
They keep their boyfriends warm at night

```

Chorus:

B C#m7
 I wish they all could be California,
 A Bm7
 I wish they all could be California,
 G Am7 B
 I wish they all could be California Girls

Verse 2:

The West coast has the sunshine, and the girls all get so tanned
 I dig a French bikini on Hawaiian Island dolls
 By a palm tree in the sand
 I been all around this great big world and I've seen
 all kinds of girls
 But I couldn't wait to get back in the states,
 Back to the cutest girls in the world

[repeat chorus]
