Chords:

Verse 1:

```
F          C
There's a calm surrender
F          C
To the rush of day
F          C
When the heat of the rolling way
Dm         G
can be turned away
F          C
An enchanted moment
F          C
And it sees me through
F          C
It's enough for this restless warrior
Dm         G
Just to be with you
```

Chorus:

```
      C          G          Am  F          C
And can you feel the love tonight
      Dm         G          F
It is where we are
      C          G          Am  F
It's enough for this wide eyed wanderer
Dm  C  G  Dm  G
That we got this far

      C          G          Am  F          C
And can you feel the love tonight
      Dm         G          F
It is where we are
      C          G          F
It's enough to make kings and vagabonds
Dm  C  G  C
Believe their very best
```

Verse 2:

```
F          C
There's a time for everyone
F          C
If they only learn
F          C
That the twisting caleidoscooe
Dm         G
moves us all in turn
F          C
There's a rhyme and reason
F          C
```

To the wild outdoors
F C
When the heart of this star-crossed voyager
Dm G
Beats in time with yours
