

**Keane**  
A bad dream

Tuning: Regular

The tabs that were already posted weren't correct so i guess i had to tab it out on people..its not THAT hard..

```
e|-3--3--3--3----1--1--1--1----1--1--1--1-----|
B|-4--4--4--4----2--2--2--2----2--2--2--2----4--4--4--4-----|
G|-3--3--3--3----3--3--3--3----1--1--1--1----5--5--5--5-----|
D|-5--5--5--5-----6--6--6--6-----|
A|-6--6--6--6-----|
E|-----|
```

The first chord is a lil tricky..just bridge your index over the last 3 strings on the fret, middle finger on the 4th, and ring and pinky on the 5 and 6 frets..simple as if your fingers are too small like mine just fret the last 3 strings..

ALTERNATIVE TO THIS SONG:

Tuning: Eb A D G B E

```
e|-----|
B|-8--8--8--8----6--6--6--6----6--6--6--6----4--4--4--4-----|
G|-8--8--8--8----6--6--6--6----6--6--6--6----5--5--5--5-----|
D|-8--8--8--8----8--8--8--8----6--6--6--6----6--6--6--6-----|
A|-6--6--6--6----8--8--8--8----4--4--4--4----6--6--6--6-----|
Eb|0--0--0--0----7--7--7--7----5--5--5--5----0--0--0--0-----|
```

THE LAST STRING IS OPTIONAL..cuz its tricky...your choice if u want that extra bass in not..and tune the last string to Eb if you chose to play the last string

If u want to play the intro tune your guitar to Eb A D G B E

```
e|-----|
B|-----|
G|-----|
D|----1-----1-----1-----1-----|
A|-----|
Eb|-0-----0-----0-----|
```
