The two guitars continue into this section. Walloping (a technical term meaning hit very hard &) the strings using the full barre sounds pretty good. The lead basically follows the bass. You can do both (like you can tweak the slide riff with one guitar)

I think i can probably tabascii the bass now, ive listened to it enough. But ive had it for this song!! unless someone really needs it please dont ask just yet.. Ive gotten transfixed by a few other zepplin tracks that where on the album, their slower more melodic stuff like no quarter down by the seaside etc..

And shes buying a stairway to heaven

@SONG: Stairway To Heaven

There's a lady who's sure
All that glitters is gold
And she's buying a stairway to heaven.
When she gets there she knows
If the stores are all closed
With a word she can get what she came for.
Ooh, ooh, and she's buying a stairway to heaven.

There's a sign on the wall
But she wants to be sure
'Cause you know sometimes words have two meanings.
In a tree by the brook
There's a songbird who sings,
Sometimes all of our thoughts are misgiven.
Ooh, it makes me wonder,
Ooh, it makes me wonder.

There's a feeling I get
When I look to the west,
And my spirit is crying for leaving.
In my thoughts I have seen
Rings of smoke through the trees,
And the voices of those who standing looking.
Ooh, it makes me wonder,
Ooh, it really makes me wonder.

And it's whispered that soon
If we all call the tune
Then the piper will lead us to reason.
And a new day will dawn
For those who stand long
And the forests will echo with laughter.

If there's a bustle in your hedgerow
Don't be alarmed now,
It's just a spring clean for the May queen.
Yes, there are two paths you can go by
But in the long run
There's still time to change the road you're on.
And it makes me wonder.

Your head is humming and it won't go
In case you don't know,
The piper's calling you to join him,
Dear lady, can you hear the wind blow,
And did you know
Your stairway lies on the whispering wind.

And as we wind on down the road
 Our shadows taller than our soul.
 There walks a lady we all know
 Who shines white light and wants to show
 How ev'rything still turns to gold.
 And if you listen very hard
 The tune will come to you at last.
 When all are one and one is all
 To be a rock and not to roll.

And she's buying a stairway to heaven.
